Unfortunately, due to a cancellation by the Jackhammer, there will be no New Year's Eve party this year. We have tried but the subsequent cancellation from the bar's owner Jimmy Keup made the decision final.

But, don't despair, there will be plenty of nude fun at the rest of our parties and just in time for the holidays. So after, the shopping, the office parties, and the endless relatives, it may be time to join us at one of the parties, get naked, get sweaty and have some fun!

LOOKING FOR PRIVATE PLAY SPACE

One reminder we are still looking for a play space in a private home. We try to cater to a wide variety of your needs and a private home offers a greater degree of privacy for some men, and also a great way to reach out to new members

and guests. So, if you have a place to offer see one of us at the event, or email us. Thank you.

NUDE HISTORY

Did you know that nudity has been a popular remedy for everything from the gout to melancholy. Of course, we know that the Greeks were huge fans of nudity and that their public games the athletes were nude, covered in a light layer of oil, that made their muscles glisten in the sun, and highlighted their intense muscularity.

Closer to home, and on this side of the Atlantic, one of

our Founding Fathers felt that a cure for the common cold, a real hassle, in the days when medicine was not so advanced, that the body needed to breathe, fresh pure air, and so leave it to Ben, he "didn't think the common cold was caused by cold air; he thought it happened because we were stuck in close quarters with a bunch of gross, germ-infested flesh tubes. To avoid

getting sick, Franklin came up with something he called an "air bath." He would open the windows of his house to increase air circulation and then sit in front of the window in the nude, presumably to get the full effects of the increased airflow. " He also worked in the nude, reading and writing.. So, maybe Ben was ahead of this time?

BACK IN TIME

Anyone remember these old magazines, that featured clean cut youth bare ass naked?

Back, when I was a wee lad, well maybe not quite so wee, I used to long to see the naked male body, but in those days male nudity was hard to come by. But, one day, while shopping downtown, on my rather meager allowance, I discovered tucked at the back of the newsstand were these marvelous little magazines, with such alluring titles as "Body

Beautiful" and "Posing Strap", and even the latter which had the naught bits covered up, made me drool. Take a look at the picture to the right, it was from one of the alter magazines of the late 60s and early 70s when nude dudes could be seen in all their naked male glory!

UN RECORDATORIO

Un recordatorio de que todavía estamos buscando un espacio de juego en una casa privada. Tratamos de atender a una amplia variedad de sus necesidades y una casa privada ofrece un mayor grado de privacidad para algunos hombres, y también una gran manera

de llegar a nuevos miembros e invitados. Por lo tanto, si usted tiene un lugar para ofrecer ver uno de nosotros en el evento, o envíenos un correo electrónico. Gracias.
